ANNOUNCEMENTS

NEW ADDITION TO STORE WEBSITES

As part of a new co-branded effort between OneWater Marine and PartsVu, many store websites will have a new landing page linking to PartsVu products beginning soon. This will provide OneWater Marine boat buyers with access to a curated landing page offering products intended to outfit their boat - safety supplies, docking and anchoring supplies, trailering products, and more.

Store managers will receive a meeting request today for an informational session about this awesome new program this Friday with the OneWater Fixed Operations team as well as the PartsVu team. If you have any questions now, please submit them below so they can be addressed during this meeting. The team will take questions during the meeting, as well!

SUBMIT QUESTIONS

ESPP PARTICIPANTS: PLEASE SET UP YOUR RAYMOND JAMES ACCOUNT

If you are actively participating in the Employee Stock Purchase Plan and have not set up your account with Raymond James, please do so as soon as possible. Your shares cannot be deposited until your account is set up. Please check your personal email address that is used in Paylocity (not your company email) for an email from Jack Ezzell on December 2nd or December 5th with the form to complete.

Submitted by Adam Tarpley and Jack Ezzell

OSHA REPORTING DEADLINE

2023 is here, which means it is time for OSHA reporting. The February 1, 2023 posting requirement is approaching quickly. Please review your records NOW for OSHA 301 reports for ALL 2022 workers' compensation injuries for your location.

Please forward contact information for your location's designated team member in charge of the OSHA Binder to **safety@onewatermarine.com.**

Failure to report an accident and/or injury is a violation of OneWater Marine policy and may result in disciplinary action.
