ONE COMMUNITY

Don't forget that this year, all full-time employees will receive 8 paid hours to volunteer. You can choose to work on an initiative as a group, or you can choose your own organizations at which to volunteer.

OneCommunity shirts are now available in the uniform portal. Stores can place bulk orders for employees who will be participating in an initiative this year. Shirt purchases should be coded to "Uniforms".

CUSTOMER REVIEW

”

Texas Marine

I know when you are in the business of sales and customer service, it is hard to make people happy, especially in this day and age. When you are in the management position, all we seem to hear is the bad. We are like fire extinguishers and constantly putting out spot fires. It can be taxing and exhausting. That is why I wanted to spend a little time to tell you some good. I purchased an Avalon Tritoon back in 2020 from Texas Marine and I can honestly say from the sales staff to the service and parts department everyone has been truly a pleasure to deal with. Everyone has gone above and beyond to assist me in my needs. Unfortunately this is a rare find, as we are all short staffed and over worked. When you have an experience like that, it makes want to keep coming back, even if the “other guy” is cheaper or more convenient. So for that, I wanted to give you and your staff kudos. Unfortunately, I recently had to sell my boat. I contacted Gene Graves and he continues to set that bar high for you all on customer service. He has been easy and a pleasure to deal with. He, too, has gone above and beyond to assist me in my needs and make the process as easy as possible. I hope this helps put light to what great staff you have because as we all know, our employees are what makes a business great. I will definitely be back when it is time for me to get another boat.
