# ONECOMMUNITY

Beginning January 1, 2023, all full-time employees will receive 8 paid hours per year to volunteer.

Stores can choose to work on an initiative as a group, or employees can choose their own organizations at which to volunteer.

Employees can request to take a volunteer day (or half day) by selecting "VTO" in Paylocity. Volunteer hours will not roll over to the next year.

Employees who participate will be given a OneCommunity shirt.

Employees can post photos on social media using the hashtag #OneCommunity and email photos to **[newsletter@onewatermarine.com](mailto:newsletter@onewatermarine.com)**, so we can share our team efforts.

## NEW HARRIS DEALER

## LEGENDARY MARINE TAILGATE BOAT SHOW

Legendary Marine put on an on-site Tailgate Boat Show featuring great boats from Barletta, Malibu, Sportsman and more! It was windy, but that didn't dampen the spirit of all those involved. Great boats, great food, great games on the TV and an amazing team helped make the event great for everyone.

## CUSTOMER REVIEW

*Phil Dill Boats*

I DID NOT WANT TO BUY A BOAT! In fact I only went on this expedition to convince my husband NOT to buy a boat. But alas. Between the beautiful boats and the exceptional service, I was sold, I'll admit it. All of the staff was over the top accommodating (without being tacky or fake) and kind. I had my kids with me (4 kids under the age of 8- yes it was on purpose we'll talk about that later and the staff made sure they had waters and snacks. They let them explore the boats and they entertained them while I tried to talk my husband out of buying a boat! Specifically Clint was AMAZING. So knowledgable and helpful and easy going. The one boat they didn't have in stock was the one my husband wanted. LO AND BEHOLD Clint searched high and low and found our boat. And now we are happy boat owners. We never leave the marina but regardless, we are happy boat owners. If you want a boat, go to Phil Dill. Yay. I think.
